

FINDING THE RIGHT TALENT

The process of finding talented graduates and undergraduates with the skills you need for first jobs or internships can be difficult and risky. With Talented Europe you can access a Europe-wide database of students who have been verified as highly talented online or by mobile app. Those high quality students with the talents and skills you have identified will have access to your opportunities, wherever in Europe you operate. And because Talented Europe service operates on mobile devices, today's natural choice for young people, response times will be very fast.

Talented Europe offers a showcase with a ranking of the best students in Europe. A simple idea which joins employers and students. The meeting point of excellence.

OUR GOAL:
BRING EUROPE'S MOST
TALENTED STUDENTS AND
COMPANIES TOGETHER

This project has been funded with support from the European Commission. This publication reflects only the views of the authors and the Commission cannot be held responsible for any use which may be made of the information contained herein.

WHAT IS TALENTED EUROPE?

TALENTED EUROPE IN A NUTSHELL

1. Company executive recognises a need for an intern or starter with particular skills.

Joins Talented Europe at talentedeurope.eu and posts role and person specification.

3. Company executive finds appropriate students' resume/CV and **makes contact via the mobile app** to arrange interview, either in person or via Skype.

2. Company executive can also scan the Talented Europe database for students with the necessary skills.

4. Company executive can also **scan the Talented Europe database** for students with the necessary skills.

Join the Talented Europe database. A convenient and easy way to find young talent.
